Session Title - Computational Bioengineering(CB)

Theme and aim of the special section:

Applying the engineering approach to understanding biological systems and supporting innovation in healthcare, creating new knowledge and solutions for biological and medical applications.

Topics :

1. Computational Systems
2. Cell and Tissue Engineering
3. Neural Engineering
4. Cardiovascular and respiratory engineering
5. Multi Scale Modelling
6. Drug Delivery Modelling

Special Session Coordinator Details

Coordinator Names:

Dr R.Malathi, Coordinator
Professor,
Department of Electronics and Instrumentation Engineering,
Annamalai University
Annamalai Nagar – 608 002
Tamil Nadu, India
Mob: +91 – 9443879055
Email : sdpcombio@gmail.com

Special Session Title: Computational Bioengineering(CB)

We are organizing a special session on “**Computational Bioengineering**” in International Conference on Processing of Materials, Minerals and Energy: PMME-2016. During 29th and 30th July, 2016 in the city of Ongole, Andhra Pradesh, India.

Special Session Submissions can only be submitted to the Session Coordinator Mail Id - sdpcombio@gmail.com

Publication of Conference Papers (Special Sessions)

All the registered papers will be submitted to Elsevier Materials Today: Proceedings for publication. As well as indexed by SCOPUS.
